Enhanced Ballot Access-for-All Program

ACCESSIBLE ABSENTEE VOTING SOLUTION

EVERY VOTER COUNTS

Enhanced Ballot allows voters with disabilities to mark their ballot independently and privately, using personal assistive technology.

REDUCING COST

Access-for-All Program is open to local jurisdictions for \$2,499 per year, regardless of size.

REMOVING BARRIERS

Electronic return technology that is accessible and secure.

Developing solutions for voters who are deaf-blind and voters without technology.
